

Year 4 Homework Summer Term I 2018

Spellings

Spellings will be tested weekly on the dates below. Encourage your child to practice their spellings until they are confident at recalling them written or verbally. We will learn the spelling rule and practice the spellings during the week.

Friday 13 th April	Friday 20 th April	Friday 27 th April	Friday 4 th May	Friday 11 th May	Friday 18 th May	Friday 25 th May
courageous outrageous serious obvious curious hideous spontaneous courteous	invention injection action hesitation completion fraction detention mention	expression discussion confusion permission admission progression expansion extension	comprehension tension session musician optician electrician magician politician mathematician	scheme chorus chemist echo character ache orchid architect orchestra mechanic stomach	chalet chef machine brochure parachute chute science discipline fascinate	league tongue catalogue dialogue epilogue vague rogue

Times Table Facts

Each week we will focus on a times table set. When children are tested on the Friday, they will need to be able to recall multiplication facts up to x12. Log on to **Times Table Rock Stars** - this is a fabulous resource to help learn times tables.

X3 X6	X3 X6	X4 X8	X4 X8	X7	X9	X12
-------	-------	-------	-------	----	----	-----

Optional Activities - due in by Monday 4th June 2018

For children who wish to extend their learning even further, these are possible ideas for additional activities you may wish to complete. Optional activities may be completed independently or with adult help. Children completing additional work will be invited to share this in a homework celebration assembly. During this time, any child who wishes to showcase their spelling and times table talents will be given the opportunity to do so as well.

<p style="text-align: center;">Food Technology</p> <p style="text-align: center;">Why not design a healthy menu? Think about the dietary needs of a herbivore or omnivore or carnivore.</p>	<p style="text-align: center;">D&T</p> <p style="text-align: center;">Can you make a model of an organ or bone found in the human body?</p>	<p style="text-align: center;">English</p> <p style="text-align: center;">Could you design a poster to inform someone how to keep their teeth clean?</p>
<p style="text-align: center;">Art</p> <p style="text-align: center;">Imagine you are in a shrunken ship and are accidentally swallowed by a human. What would you see, hear and smell? Think of the different mediums which you could use to show it.</p>	<p style="text-align: center;">Science</p> <p style="text-align: center;">Can you make a food chain including predators?</p>	<p style="text-align: center;">Free Choice</p> <p style="text-align: center;">Be creative, why don't you show us what you have found the most interesting about our topic.</p>

Year 4's summer term homework celebration assembly will be on:

Thursday 7th June 2018 @ 2pm
