

Year 3 Homework Summer Term I 2018

Times Table Facts

Each week we will focus on a times table set. When children are tested on the Friday, they will need to be able to recall multiplication facts up to x12. Log on to Times Table Rock Stars - this is a fabulous resource to help learn times tables.

Optional Activities - due in by Monday 4th June 2018

For children who wish to extend their learning even further, these are possible ideas for additional activities you may wish to complete. Optional activities may be completed independently or with adult help. Children completing additional work will be invited to share this in a homework celebration assembly. During this time, any child who wishes to showcase their spelling and times table talents will be given the opportunity to do so as well.
